

Homestead, Florida — December 8 and 9, 2007

The Everglades Archery Club, in cooperation with the NFAA and the Florida Archery Association (FAA) will host the First Annual Everglades Open on December 8 and 9, 2007. *This an NFAA Pro-Sanctioned tournament*, with 100% payback guaranteed. The Everglades Archery Club is located south of Miami in Homestead, Florida. If you have never been here, you are missing a very diverse shooting experience. The venue offers shots over the lake with mild up-hill and downhill settings. There are no other ranges in Florida like this one. You really do need to be in Florida at some time during the winter months. What an excuse to go South with the Snowbirds and enjoy, even for a few days, what they enjoy all winter. Many Canadian archers as well as those from the Northern United States will already have made their way South for the winter. We invite you to come on down! The Price is Right! The Time is Right! With the normal format of 28 Field, 14 Animal, and 28 Hunter, you will have plenty of arrows to shoot. Everglades is noted for its "Beast Feast," and food will be served both days.
