

If you see the word **MAP** on a club's name line, you may click on it to see a map to the club. I would like to have a map for each club and shop. If you would like to update or add a map for your club or shop please send me a scanned or paper copy and I will add it to the web page as soon as I can.

On March 2014 I have updated or added a second map link to Google Maps for every club that had a range address.

If your club does not have its own webpage, I can create a page for you linkable from the club name. Currently this page has just the information for the club that this page has. Eventually I would like to have a regular club activities listed like weekly shoots, meeting times & places, etc.

Please send information for your club or its map to Oliver.
