

National Meeting items become effective 1 June 2001.
COUNCIL ITEMS APPROVED

1. President Rueger addressed the matter of the Animal Round targets. Councilman Ellis moved and Councilman LePera seconded a motion to change dimensions of the targets to conform to IFAA regulations and the colors of the targets to improve the contrasts between the scoring areas and the lines. A vote was taken with all voting YES except Councilman Tiddy. -- Matter was brought to the floor and was approved by the Directors.
2. "Disputes and, or," was removed from paragraph 6 of By-Laws article IV, section A (National Tournaments).
3. A new paragraph (to National Tournaments) is added as follows: Disputes arising at this tournament will be discussed and ruled upon by a committee consisting of the Tournament Director, NFAA president, one Councilman, and two Directors available at the tournament. The Councilman and Directors will be chosen at random by the Tournament Director. A list of the members of this committee will be posted in public view.
 - a.) A competitor not following the established tournament rules, improper conduct or creating a safety hazard may be disqualified immediately.
 - b.) A competitor using equipment not deemed legal for NFAA competition may be disqualified after review by the committee with the archer in question present after that days shooting is complete.
4. Dues Increase: The Council discussed NFAA dues. The Secretary had prepared Financial information that showed the cost of services per member (\$20.63) added to the cost of the magazine per member (\$10.00) leaves a net loss per member of \$10.63 from dues payment. NFAA dues have been the same amount since 1988 with no increase or allowance for inflation. The Council recommended an increase in national dues to \$25 per head of household and \$3 each for two additional family members, making the total possible for a family membership \$31. The agenda item passed on the floor by a directors' roll call vote of 39 yes and 12 no. (Florida, California, and New York were among the six states that voted no.) -- NOTE: Memberships renewed prior to 1 June will be at \$20 rate. This increase will also affect Life Membership cost. Individuals desiring to purchase NFAA Life Membership can do so for \$300 (\$100 for individuals over age 65) through May 31, 2001. After 1 June, the cost of Life Membership in NFAA will be \$375 (\$125 for individuals over age 65).
