State Director and Secretaries:

In October 2015, the NFAA will launch a new website and membership database. In an attempt to simplify the processing of Professional memberships, we are offering a one-time, pro-rated NFAA membership rate that will help us synchronize Pro Membership expiration dates with NFAA/State Membership dates. Pro memberships expire at the end of every calendar year. Regular NFAA/State memberships expire any time during the year – creating confusion as to when membership dues are required to be paid. In an attempt to clear up the confusion, we are offering Professional members the option to change their NFAA membership expiration date to December 31st each year. What does this mean for your State Organization? In 2016, some regular memberships (of Professional members only) will be charged by the number of months needed to expire December 31, 2016. This may cause your normal rate to decrease or increase based on the number of months charged. We will make note of these special expiration dates on your monthly reports.

We are excited to roll out our new website and membership database over the next few weeks. Quick access to reports and membership lists, will allow states to get current membership reports from any device. We are also working on a state portal that will allow you to process membership's offline at tournaments or events and upload them with the click of a button. Separate state databases will become a thing of the past, allowing your officers to work more efficiently. We will keep you updated as we continue to improve the user experience for our state organizations.

If you have any questions about this change, please contact our Membership Manager, Brennan Ewald (bewald@nfaausa.com), or myself at 605-260-9279.

Thank you,

Natalie Vollmer
NFAA Executive Secretary

NOTE FROM THE PRESIDENT

Hi everyone; we are wrapping up another successful year.

FAA membership is up, and attendance at many of our shoots this year, has been up as well, especially the Indoor tournament. Split site tournaments (**although an absolute management nightmare**) seems to be giving more folks an opportunity to participate. We have five Split site tournaments planned for 2016, plus the JOAD. It is great seeing more and more youth participation at our tournaments. Speaking of youth, our Female Shooter of the year is 11 year old Sydney Sullenburger. The male shooter of the year is James Harden. Congratulations to both for having such a great year. Some of us got to visit new range facilities this year. Mims Indoor range, and Newberry Fita Field range. Both are excellent ranges, and are back on the schedule for 2016.

This coming spring, the FAA President, North VP, South VP, and NFAA Director are due for election. Anyone wishing to run for one of these offices, please notify Tim Austin ASAP. All folks currently holding those offices would like to remain in office for another two years. I hope that I have earned your vote for another term as president. Also, if anyone has an interest in helping us put the release magazine together, please contact Shannon North or myself.

We would like to wish everyone a very **Merry Christmas and a happy, successful, healthy New Year!!** "Thanks for your membership" "Stay Safe"

Bob.
