2008 NORTH AMERICAN FIELD ARCHERY CHAMPIONSHIP

13-14 December 2008 – Everglades Archers – Homestead, Florida – (over 33,750 competitive arrows)

Friday started out chilly with a cold snap hitting Florida, but by the time we were shooting on Saturday it was well on its way back to usual beautiful weather... comfortable and everyone stripping off extra layers. Saturday and Sunday were absolutely beautiful, if not a little bit breezy. Dark-thirty Saturday morning, and the range gate is open at 6:00 AM, and archers are arriving to warm up for day one. The “flint” range is open with targets from the bunny out to 70 yards, lighted. Grouping has been posted ahead of time and 36 shooting groups merge to fit on the 28 target field range. Announcements at 7:30 include the differences between IFAA and NFAA rules, and archers are instructed to shoot four across throughout the round. We don't come off the range until the Animal Round is done, and we all make it in just before dusk which comes early this late in the year.

We are South of Miami, only 20 minutes from the Keys, so even some of the Florida archers have an 8 hour drive to attend, but the trip is always worth the effort. Individuals are present from all over the United States and Canada. The hosts are friendly and eager to please. The archers include seven Pros, five NFAA State Directors, and one NFAA Councilman.... many past champions and one Olympic medalist. Not counting tied 560 animal records, 20 NAFAC records and 10 IFAA World records are broken over the two days. Serious shooting includes lots of FUN, and once again some of us look up into the trees and find a colorful, large (four foot) Iguana avoiding the “trespassers”.

One hundred and thirty three archers include guests from out of region including our IFAA Vice President and three other English archers, one from Estonia, and a talented five member team of ladies from Shanghai, China. We made every effort to have the “Olympic” style ladies shoot with archers of similar skill, style and in some cases even language friendly. The President of Argentina's Archery Program was a guest who did not shoot but did bring information about next year's event in that country. Forty nine United States archers from outside Florida joined our more “local” shooters and two from Canada to welcome our 10 International Guests who all received special primitive presentation arrows made by Everglades Secretary Shelly Mascaro.

Next year's 2009 NAFAC will be same time (12-13 December), same station (Everglades Archers in Homestead, Florida). Y'all Come Back!

2009 FLORIDA UNMARKED 3-D CHAMPIONSHIP

17-18 January 2009 – Lee County Archers, Fort Myers, FL

81 archers braved absolutely frigid temperatures on Saturday morning, but by noon it turned really beautiful and Sunday turned out to be an even nicer day. Bob Halfmann, who was “T-Boned” going through Arcadia on his drive home last year, was recovered from his broken hip and broken ribs, and shot quite well. Ron Martin from the host club had the high overall score with 641. The host club had set out a beautiful pair of 20 target ranges that included some tricky shots off of tall platforms.

PASSING ON

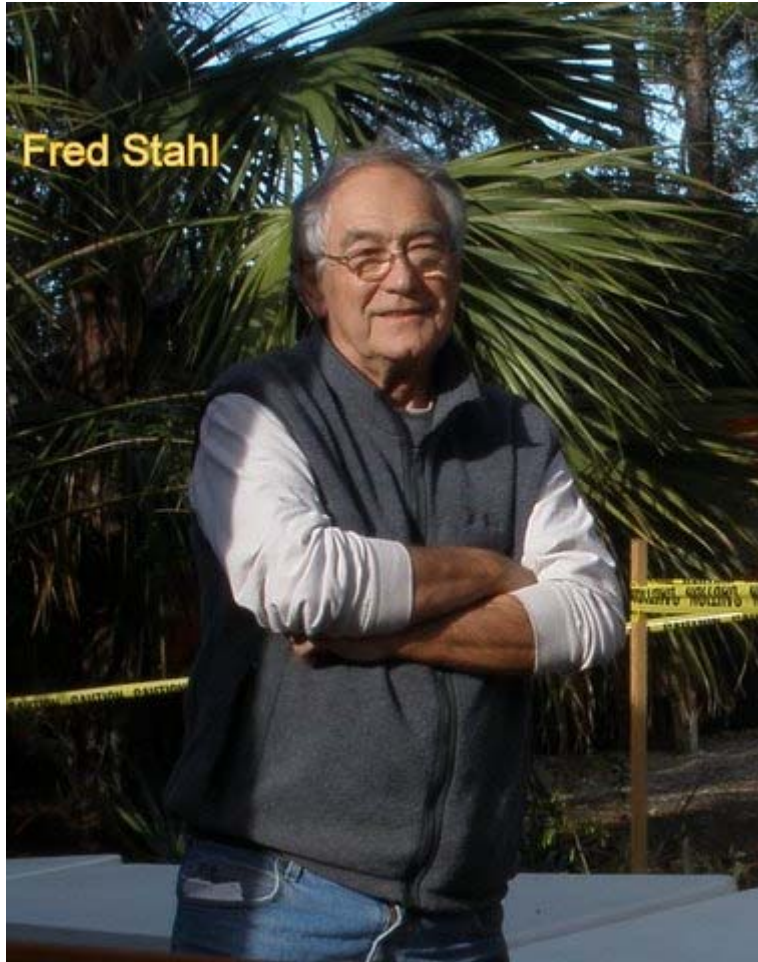

Robert D. Horden: 3/3/1946 – 10/9/2008 lost his battle with cancer at age 62 this past October in Detroit, Michigan where he had moved to be with his Sister, Ann Rapin, in his retirement. Ann wrote that Bob went into the hospital on Aug 21st for cancer surgery and that the surgery was long and complicated. Bob came through it, but many complications set in after and his organs began to shut down one-by-one.

Bob Horden was a past officer of Daytona Archers and a past North Florida FAA Vice President. His 34 year NFAA membership started in 1975 when he was actively shooting Bowhunter Freestyle Limited... at a time when the style was extremely popular. He was inducted into the FAA Hall of Fame for his Administrative accomplishments.

William C. Parr: 4/25/1925 – 10/2/2008 age 83, lost his over five year battle with cancer four days ago. An active member of The Villages Archery Club, Bill competed outside his club primarily in Senior Games 900 Round events. He was a member of FAA for 6 years.

Fred Stahl 04/13/1936 - 01/21/2009 age 72. Fred has been an FAA/NFAA member for the last nine years, has been an extremely active and skilled competitor. He was FAA Champion shooting Senior Bowhunter Freestyle in 2000 (3-D) and in 2003 and 2004 (Field). In Master Senior competition he has competed at the National and Sectional level as well as earning FAA Champion awards at the 2005 and 2008 International and the 2008 Marked 3-D tournaments. At this past December's NAFAC, Fred was 11th out of 26 freestyle archers over age 55 with a score of 1568 and his 833 at the Florida Senior Games placed him 3rd. Fred is survived by his wife, Marilyn... two daughters, including Michelle who was Adult Female Freestyle Champion at the FAA Unmarked 3-D Championship tournament and grandchildren.
