

## 2003 FLORIDA MARKED 3-D CHAMPIONSHIP

15-16 November 2003 – Gator Bowmen, Gainesville FL

Richard Westfall, Gator 3-D Range Captain, designed two outstanding marked 3-D courses and modified one by changing animals on the second day to make three interesting and enjoyable 20 target rounds. Both days had cool mornings but turned into beautiful fall days, perfect for shooting.

On Saturday afternoon it was discovered that the range crew had mis-measured (mis-marked) one of the white stakes as 37 yards on a target that the FAA President, the NFAA Director, and the Range Captain remeasured as 40 yards plus 1 foot. At least one group had used a range finder on the target allowing them to shoot it accurately. The FAA President and the NFAA Director decided to delete the target from the (white stake) competition due to the incorrect marking. On Sunday morning, when the score board changes were presented and announced, an archer filed an official protest of the change stating that no official protest had been filed and that the scores had been agreed to and posted as correct by all archers. Protest Committee (FAA President, NFAA Director, North Vice-President, and Release Editor) considered the protest, and the committee upheld the protest. The protest fee was returned to the archer and the scoreboard was corrected to the original posted scores.

SHOOTER	CLUB	3D-1	3D-2	3D-3	TOTAL	
<b>YOUTH MALE OPEN</b>						
Drew Noel	Gold Coast	-----	177	168	345
