

2004 FLORIDA UNMARKED 3-D CHAMPIONSHIP

7-8 August 2004 – Central Florida Bowhunters, Ft Meade

Three 20 target unmarked 3-D rounds were completed in spite of it being a rainy weekend. We arrived on Saturday in a drizzle which stopped... it was muggy all day and we carried umbrellas to ward off the elements. Three groups actually got caught by the rain at the end of the last round... and on Sunday, one group got caught by rain at the end of the round. Most of us escaped without getting wet, in spite of the downpour on Saturday afternoon. We did have to wade in a couple of "ponds" to score. An outstanding range with cleverly placed targets and most back-stopped. There were plenty of water coolers on the range and Mike Branch came around on a four-wheeler selling drinks and giving marvelous service to the competitors. The noon feed was outstanding. Jake Pettitt had the highest individual round with a 212 Saturday morning. Dewey White turned in the highest total score with 603 for a 201 average.
