

## 2005 FLORIDA MARKED 3-D CHAMPIONSHIP

12-13 February 2005 – Central Florida Bowhunters, Ft Meade, FL

74 archers braved cold mornings to attend the first State Championship at Central Florida Bowhunters since hurricane Charley came through and decimated the property. Not only did they sustain the strongest hurricane of the four that hit Florida in 2004, but they had tornados touch down and twist trees off half way up the trunk. A tremendous job of cutting and clearing allowed us to shoot a challenging 20 target 3-D course that was re-adjusted on Sunday for different distances. Much praise for all who worked on the range and made it ready for this fine event. There's still plenty more work to do to fully recover from the storms, so anyone who feels so inclined should contact the club and lend a hand.
