

2006 NORTH AMERICAN FIELD ARCHERY CHAMPIONSHIP

9-10 December 2006 – Everglades Archers – Homestead, Florida – (over 30,324 competitive arrows)

Friday started out chilly with a cold snap hitting Florida and some rain, but by the time we were shooting on Saturday it was well on its way back to usual beautiful weather... comfortable and everyone stripping off any extra layers. Saturday and Sunday were absolutely beautiful, if not a little bit breezy. Friday was a practice day with archers checking out the range and discovering that a lot of work has been done and a lot of vegetation has sprouted and mended a few of last year's hurricane scars. Dark-thirty Saturday morning, and the range gate is open at 6:00 AM, and archers are arriving to warm up for day one. The "flint" range is open with targets from the bunny out to 70 yards, lighted. Dawn is breaking and a couple of late arrivals register. Grouping has been posted ahead of time and 29 shooting groups easily fit on the 28 target field range. Announcements at 7:30 include the differences between IFAA and NFAA rules, and archers are instructed to shoot four across throughout the round. We don't come off the range until the Animal Round is done... a comfortable safety net of time from our finish to dusk.

We are South of Miami, only 20 minutes from the Keys, so even some of the Florida archers have an 8 hour drive to attend, but the trip is always worth the effort. Individuals are present from all over the United States and Canada. The hosts are friendly and eager to please. The archers include six NFAA Pros, three NFAA State Directors, and one NFAA Councilman... many past champions and one Olympic medalist. Not counting tied 560 animal records, 16 NAFAC records are broken over the two days. Serious shooting includes lots of FUN, and once again we look up into the trees and find at least two large (four foot) Iguanas avoiding the "trespassers".

While the 2007 NAFAC event will have a new host in Houston, TX next May, Everglades Archers will host a Pro Sanctioned "Everglades Open" on this same weekend next year. The 8-9 December 2007 event will be by NFAA Rules, 28 Field – 14 Animal (w/bonus spots) – 28 Hunter. Y'all Come Back!
