

## 2006 FAA FIELD CHAMPIONSHIP

27-28 May 2006 – Gator Bowmen – Gainesville, Florida

A very warm range, in the 90's, and a drought region (0.5 inch in May) and two weeks since any rain... but at least we had shade throughout the facility. The combined State and Sectional Championship had 92 archers on the range with 76 Southeast Tournament shooters and 72 Florida State Field shooters. The 28 target range, designed in two loops, each starting and ending at tournament registration, had five water barrels and three cold drink coolers to provide fluid for all and both state and sectional records were tied and broken in several divisions. Shooting started on time at 8:30 each day and it was a fun weekend.

State Record \*
