

2009 FLORIDA SENIOR GAMES STATE CHAMPIONSHIP ARCHERY – 900 ROUND

***Games Record**

NOTE: Only 1 record broken in today's competition... Bob Wartenberg 75-79 Male Barebow Recurve... record advanced by over 100 points.

The weather was absolutely awful... We practiced in a drizzle, waited for the ensuing rain to abate... finally started scoring in light rain... for approximately 1/3 of the competition... then shot the last 2/3 of the competition in fairly strong cross wind. Very difficult shooting conditions and 27 shooters chose to NOT compete in the weather. Some didn't show, but many practiced and then "folded their tents" and decided not to compete. Those 46 who shot included 3 who shot from one to 12 arrows and stopped. The 43 who shot the whole tournament all seemed (and most voiced) that they had a good time.

At the start of the day, Michelle Stahl and Shawn Hughes (2 adult archers from Lee County Archers) were presented with their SHOOTER OF THE YEAR awards earned through the year for their competitive excellence as top scoring male and female archers in the nine Florida Archery Association State Championship Tournaments.

We all greatly appreciated the superior support from both the Florida Sports Foundation and Lee County Archers.
