2015 NORTH AMERICAN FIELD ARCHERY CHAMPIONSHIP

Highlighted scores are NAFAC Records... broken, established, or tied.

We had 119 shooters and excellent food on Sunday.

The everglades range had over 9 inches of rain the two weeks before the tournament and the previous Sunday there was water all the way up in the practice range and over the bridge to target 18... The water had subsided and the range was shootable. Many archers brought or purchased boots and we all dealt with a little mud, but the weather was beautiful and the range excellent.
