

Hi Tim,

This is just a list of the archers from Florida that attended the Southeastern Sports Festival in Pelham, Alabama. There were just two (2) archers from Florida that showed up for the 900 round.

Tracy H Rhodes Winter Haven, Fl. Ridge Archers, Gold medal with 718 pts.

Joseph Maranchick Port Orange, Fl. Gold medal with 800 pts.

The Inaugural Southeast Sports Festival had a light turnout of shooters but was a very nice shoot. Perhaps the low number of shooters was because of the Nationals and it being a first time shoot, hopefully it will be better as the years go on and more shooters will show up. Approximately 35-40 shooters were there.

Did not know if you would be getting these results from the shoot so I figured I would let you know.

Sincerely,
Tracy H Rhodes
